

# Select the right candle concept for your establishment

Candles are important to give your guests the maximum experience, which make it more likely that they stay longer, spend more and give positive reviews & word of mouth advertising.

To help you select the right candle for your establishment, we developed an easy-to-use tool to guide you through our different options.

Chose the candle which fits your interior in 6 simple steps and indulge your guests!

A lit candle in a textured glass holder sits on a dark, reflective bar counter. The candle's flame is bright yellow, and its reflection is clearly visible on the surface below. In the background, a hand is seen holding a match, and a glass of amber liquid is partially visible. The scene is dimly lit, creating a warm, intimate atmosphere.
